

A home where women can grow

Fresh Start is a transitional shelter that empowers women experiencing homelessness to change their lives by recognizing and using their strengths to overcome barriers to self-sufficiency. Women may live at Fresh Start for up to one year, during which time case managers assist them with their goals. Community support services are available for an additional two years after leaving the shelter. Fresh Start was founded in 1991 and has assisted over 1,600 in our 28- year history.

There are many ways to aid Fresh Start's efforts to help women get back on their feet, from volunteering to requesting a speaker to attending a fundraiser to financial contributions. Donations of items on the wish list also help Fresh Start provide for the 24 women who live in our home.

Donations are accepted on Mondays & Thursdays 10AM –1PM OR by appointment.
